*******

HQrs Office always seeks various reports from Field Offices and Field Offices are seeking various reports from their Sub-Offices. Generation of reports and sending to HQrs Office and consolidation at HQrs offices takes a lot of man hours.

2. To streamline the reporting system, e-Suchna (Paperless Reporting System) has been developed in-house where HQrs office/Field offices may create report format dynamically and Field offices/Sub offices would fill the information and after approval of appropriate level the same would be automatically consolidated and viewed at appropriate levels.

3. Work flow of the above system is enclosed herewith along with User Manual of various category i.e. Super User, System Administrator and User.

4. e-Suchna is available over Staging Server and available over WAN through http://10.48.152.77/suchna.

5. Hence, as per the direction of Competent Authority all PCsDA/PCA(Fys)/CIA(Fys)/CsDA/PIFAs/IFAs are requested to implement the e-Suchna application under their administrative jurisdiction to reduce the reporting time and man-hour.

6. For any training and technical assistance/queries it is requested to contact with ‘IT&S’ Wing of HQrs Office as below:
