SUBJECT : Posting on Sensitive Assignment: DAD Estt

A notice was circulated on 05.07.2018 and views were called for applicability of minimum education qualification of officials who would be considered for sensitive assignment. As per the inputs received from the sensitive sections regarding efficiency of the officials, the administration was of the view that only graduate officials should be considered for posting on sensitive assignment.

In this regard, views of some staff members and both the Unions have been received. Although some of the staff members advocated in favor of the view of the administration but most of the staff members and the Unions opined that it is the experience that matters and not the educational qualification.

Now, keeping in view of the views expressed by majority of the Staff members, it has been decided by the Competent Authority that from now onwards all the Senior Auditors/Auditors/Clerks will be considered for sensitive assignment irrespective of their educational qualification. However, Clerks will continue to be posted in M Section & Store Contract Section only for sensitive assignment.

Further it is also mentioned that, lack of seriousness towards work due to lesser qualifications will not be tolerated. Any slackness towards work or shortfall in targets will attract disciplinary action. Further, request for exemption from posting in sensitive sections, without genuine reasons will not be entertained.

All other guidelines regarding posting on sensitive assignments will remain the same.
